Life-Span Human Development Carol K. Sigelman

Written in a clear, straightforward style, LIFE-SPAN HUMAN DEVELOPMENT provides the comprehensive coverage that you need to do well in this course. Each chapter focuses on a domain of development (such as physical growth, cognition, or personality) and includes information on four life stages: Infancy, Childhood, Adolescence, and Adulthood. Features included throughout the text help you chunk material into manageable portions, master the skills required to understand research data, and understand the processes of transformation that occur in key areas of human development.
